

# Ruby on Rails at UCB

## Table of contents

1 Audience.....	2
2 Purpose.....	2
3 Prerequisites.....	2
4 Using Ruby-on-Rails at UC Berkeley.....	2

## 1. Audience

Individuals who wish to use Ruby on Rails at UC Berkeley.

## 2. Purpose

To develop web applications at UC Berkeley using Ruby on Rails.

## 3. Prerequisites

- A Calnet ID (available to UCB faculty, students, staff, and affiliates) to access information, presentations, and links on the CalShare site.

## 4. Using Ruby-on-Rails at UC Berkeley

A wealth of information about using Ruby-on-Rails at UC Berkeley is maintained on the CalShare site, accessible at this URL:

[https://calshare.berkeley.edu/sites/AS/Web\\_Apps/ruby/Wiki%20Pages/Home.aspx](https://calshare.berkeley.edu/sites/AS/Web_Apps/ruby/Wiki%20Pages/Home.aspx).

For visitors to this page who are not members of the UC Berkeley community, a visit to the [Ruby on Rails site](#) is a good place to start.
